

KEYS

Simplify the process of
rental deposit & rental agreement

10%
of 2.4 M

households will move

Tenant

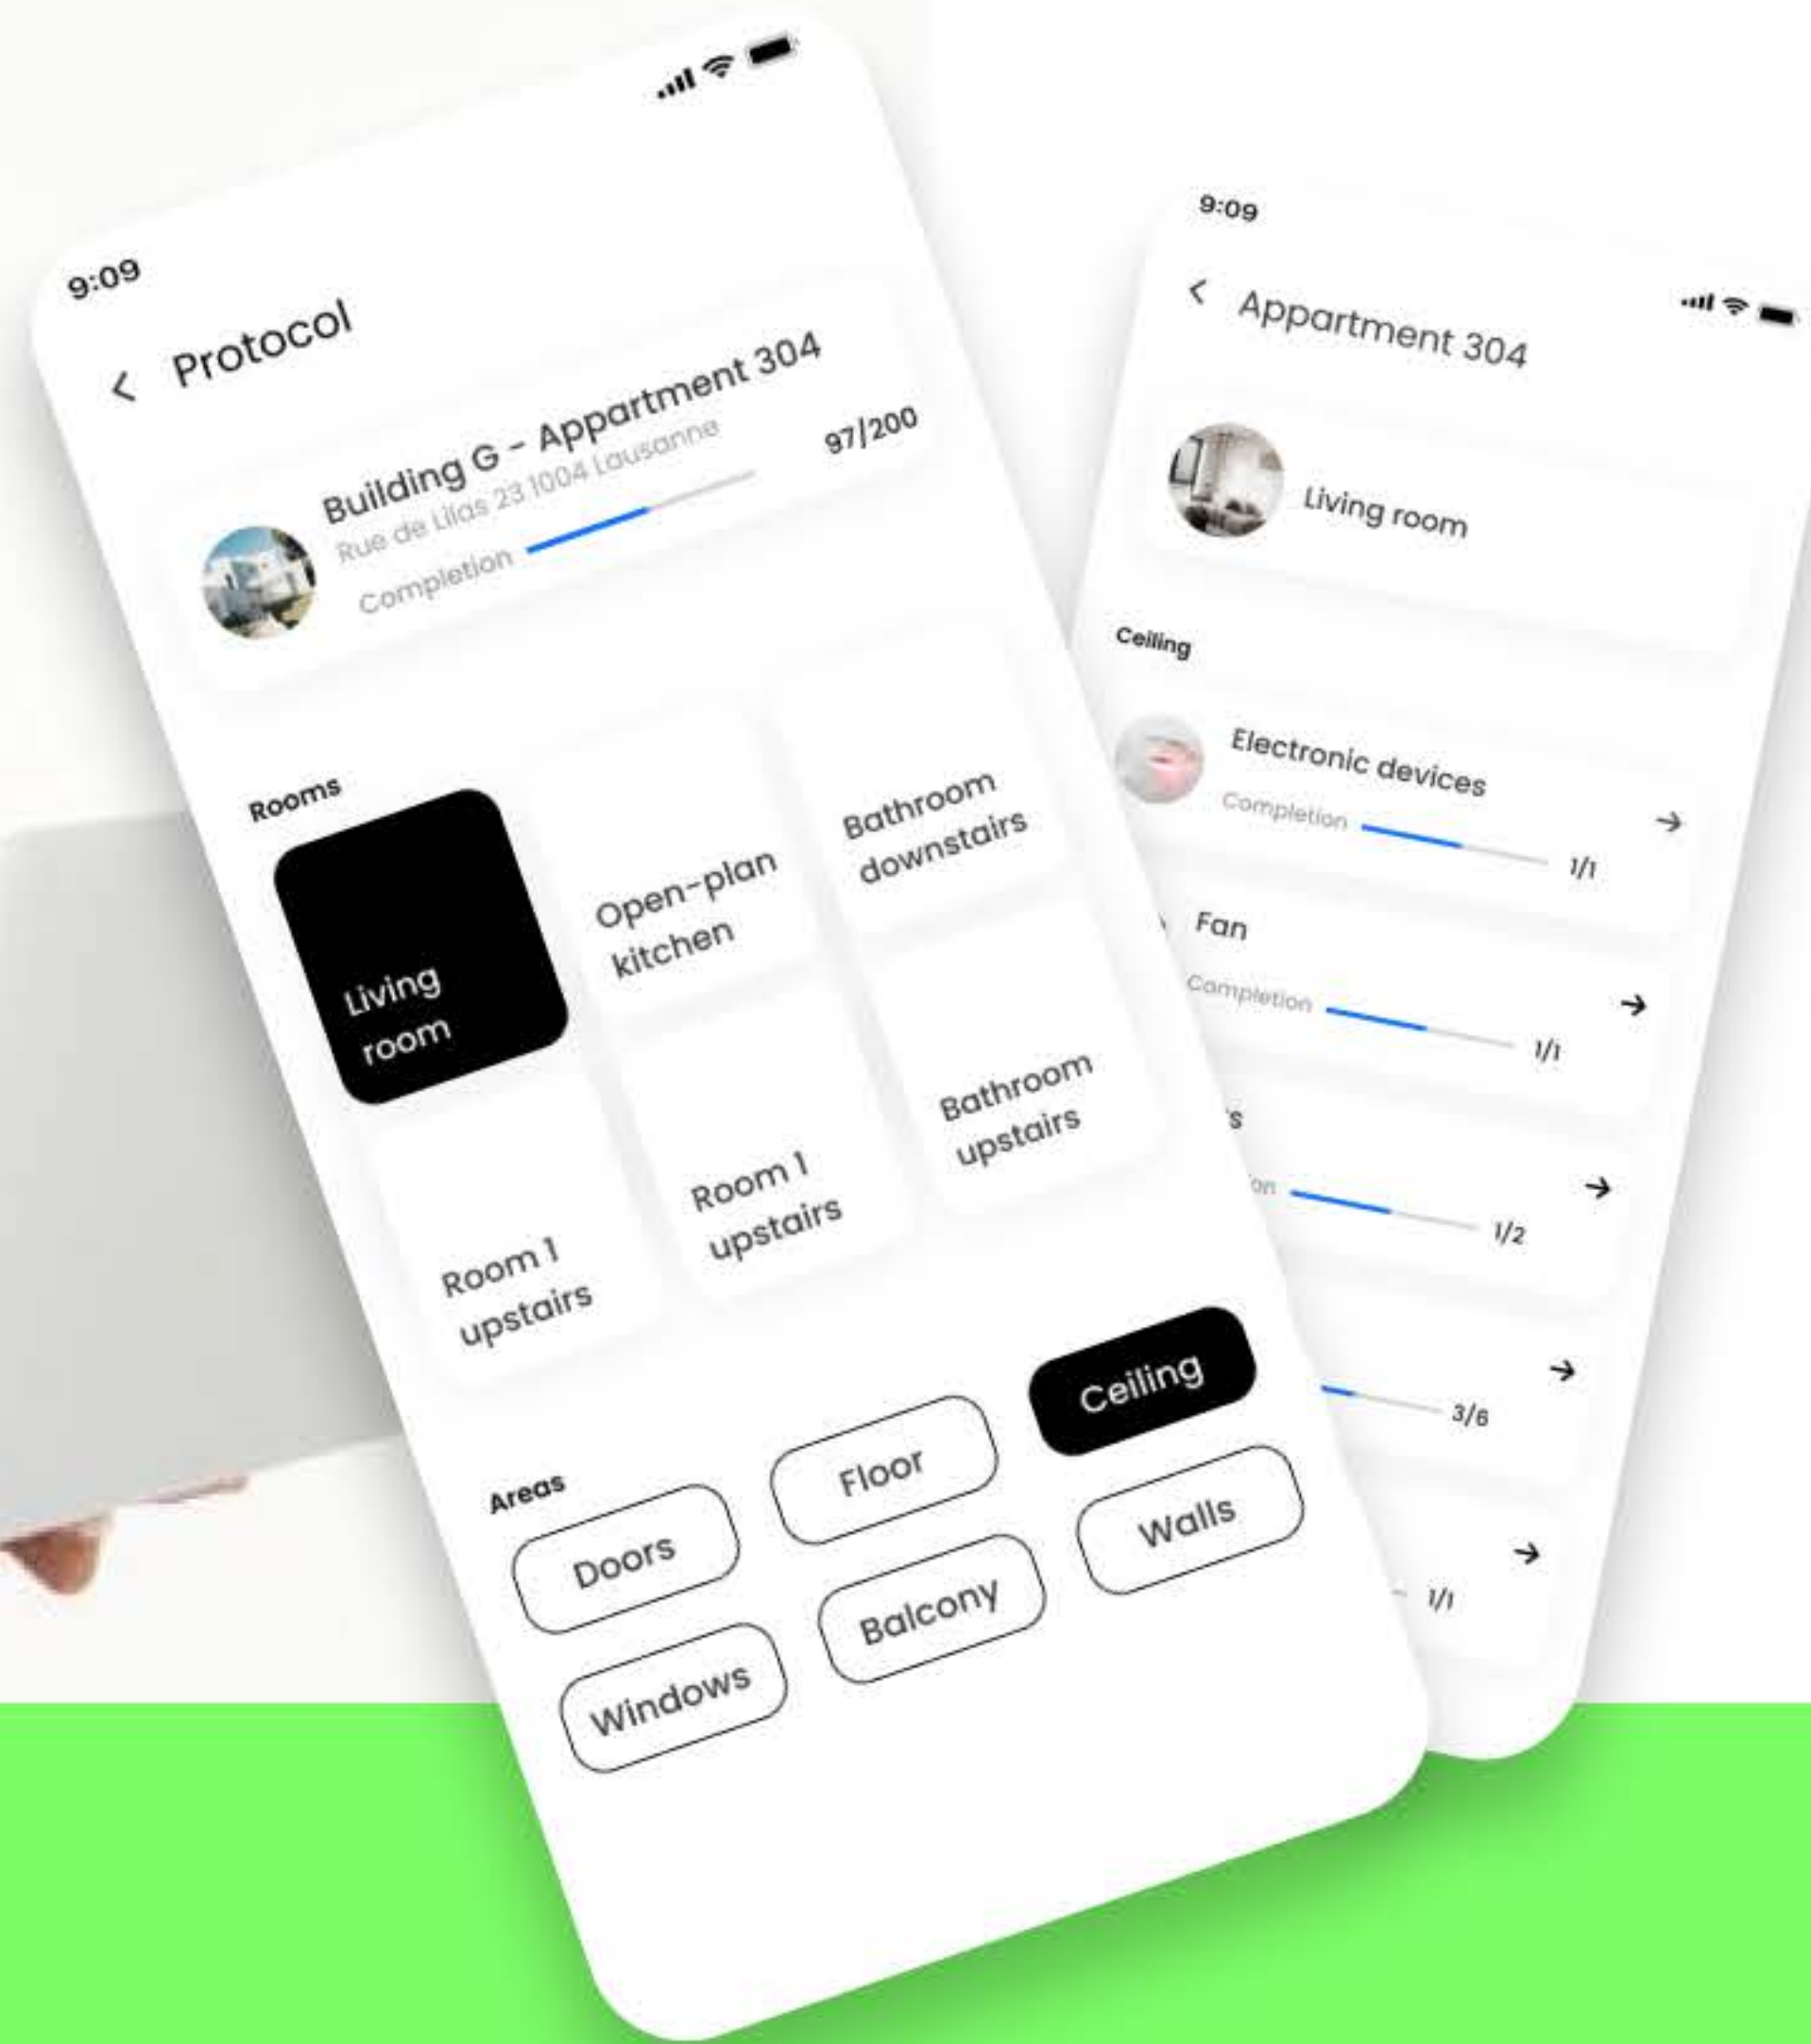

Landlord

Tedious

- new rental contracts
- new deposit account
- wasting hours in paper work
- your crypto assets just lay around

Tedious

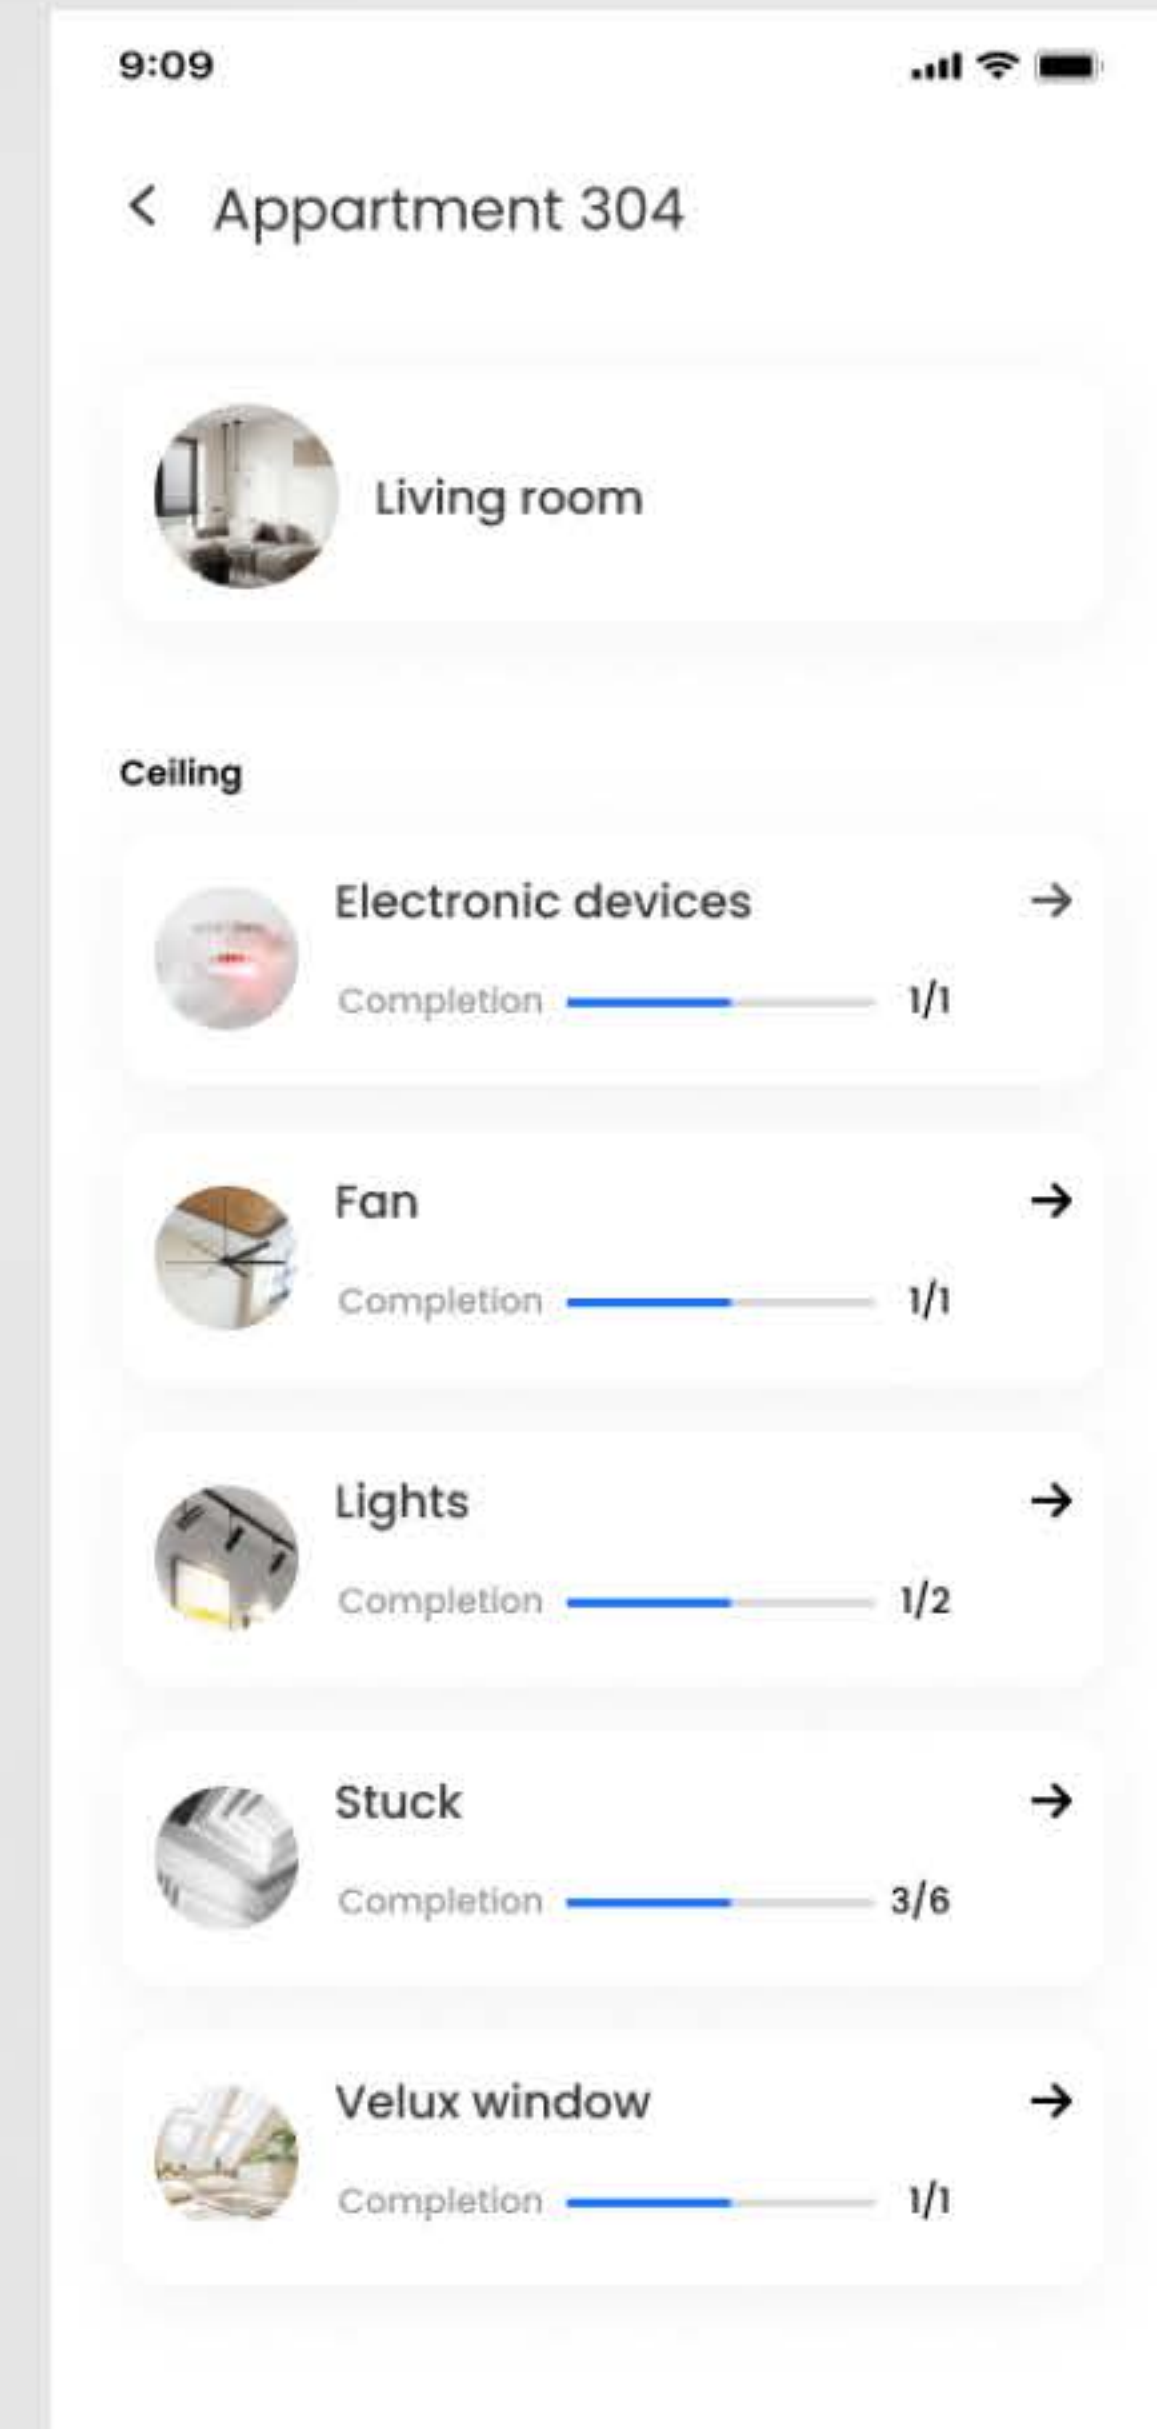

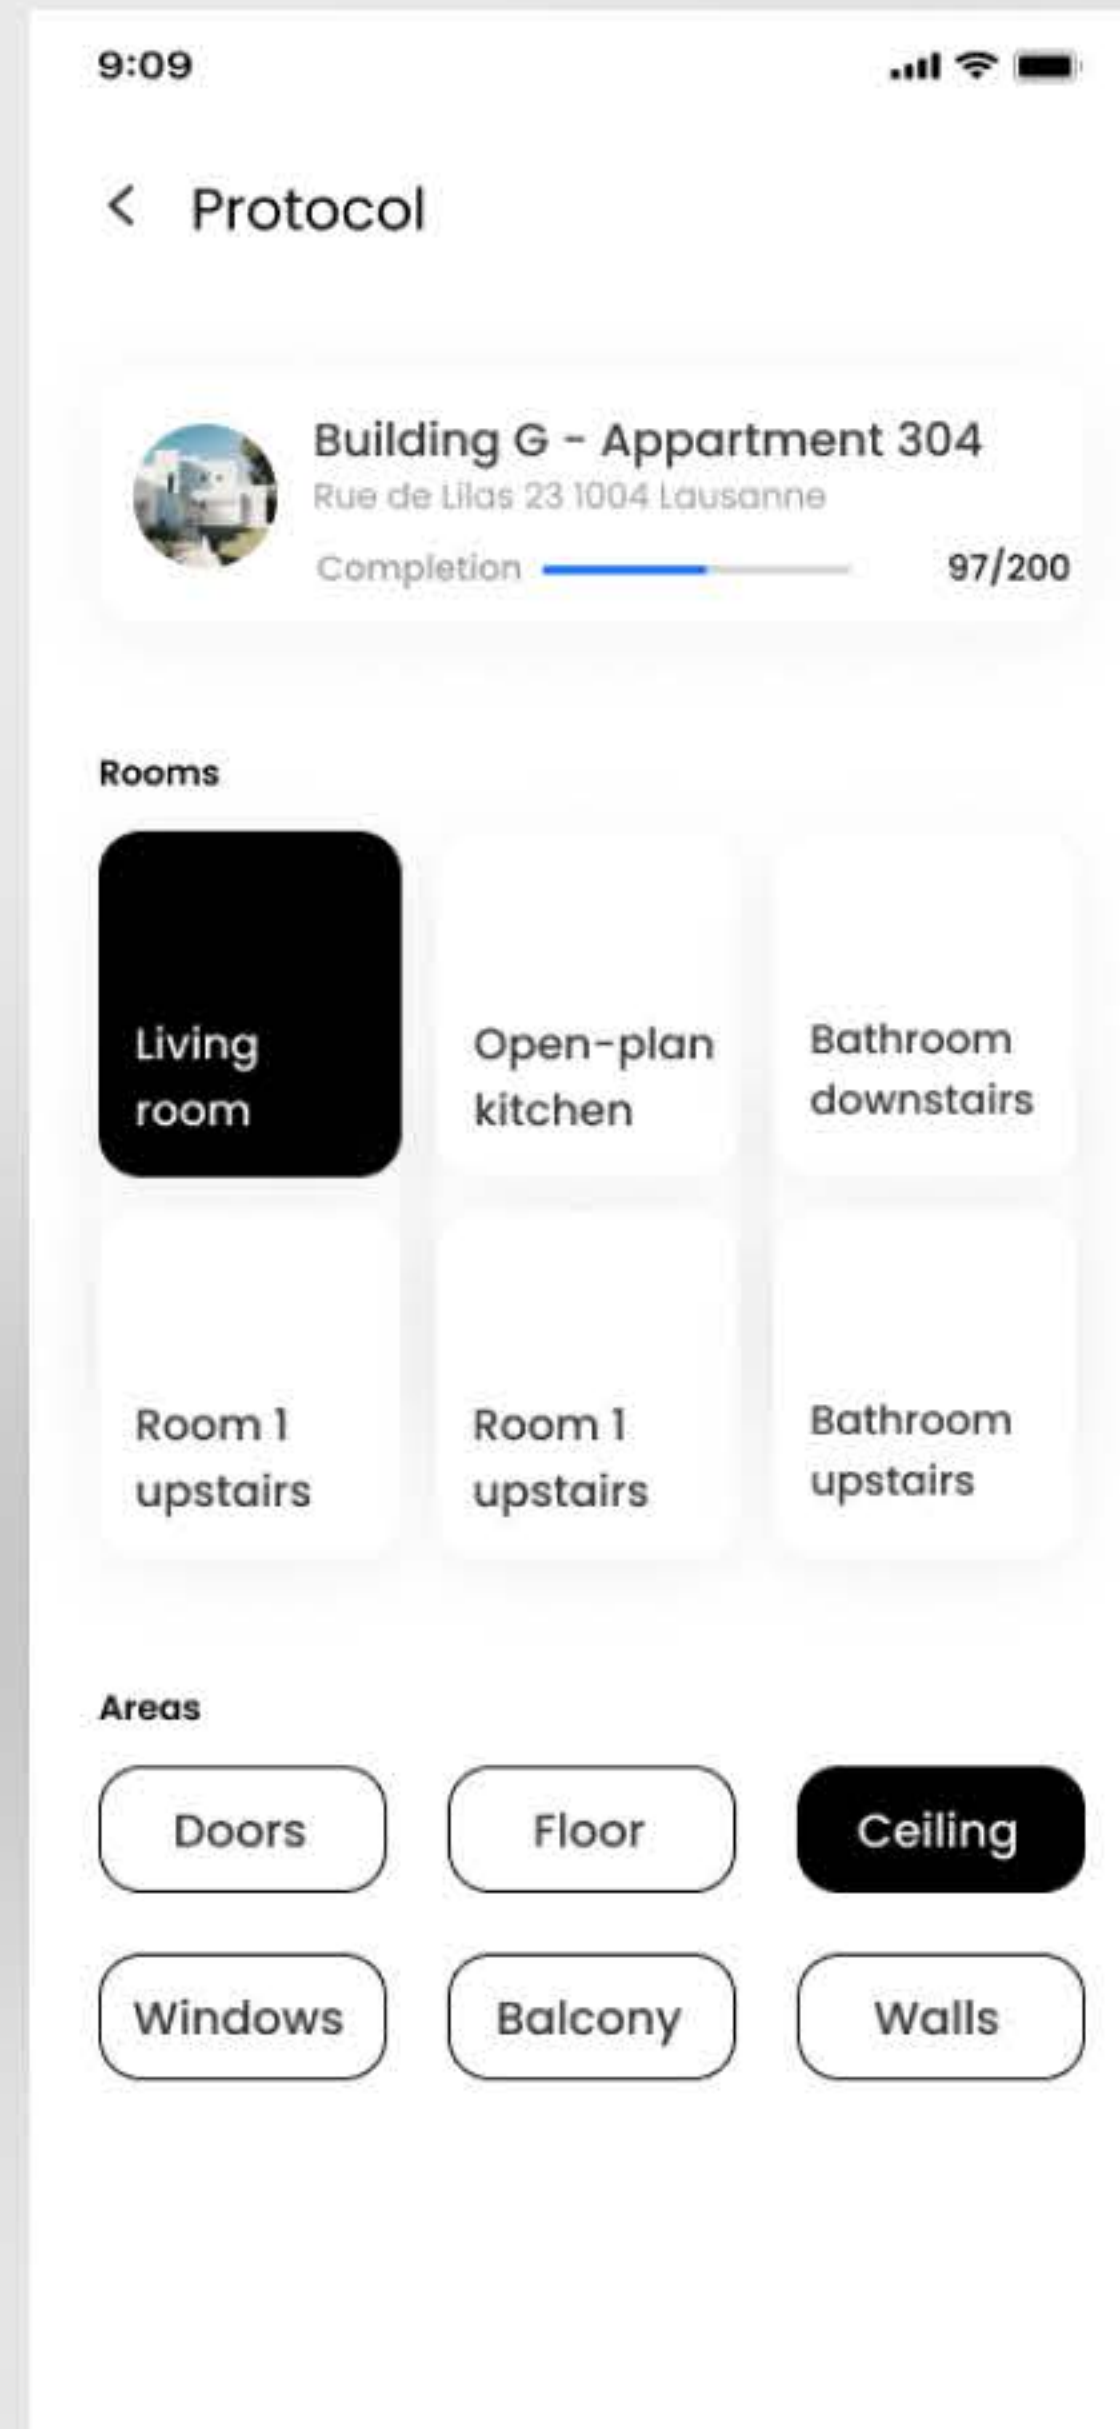

- Set up new rental contract
- Check if rental deposit is paid
- Discuss about scratches and stains based on undocumented claims
- manage details of each property

we simplify rental agreements and
the process of rental deposits

by using smart contracts
